OET Test overview

Test Format

Listening sub-test

45 minutes

Complete the sub-test in 3 parts:

Part A: Two separate consultations between a healthcare professional and a patient

Part B: Six short dialogues or monologues in workplace settings

Part C: Two long presentations or interviews with health professionals

Reading sub-test

60 minutes

Complete the sub-test in 3 parts:

Part A: An expeditious (fast) reading task

Part B: Six short workplace extracts

Part C: Two long healthcare-related articles

Writing sub-test

45 minutes

Write a letter – usually to another healthcare professional, based on case notes or documentation.

Speaking sub-test

20 minutes

Participate in two healthcare consultation role plays to assess both your English language skills and clinical communication skills. You'll perform the role of the practitioner and the interviewer plays the patient or patient's relative/carer.

The more familiar you are with the test format, the more confident you'll be on test day.
